Distribution of the chart, history standard and short-term reports are not permitted without including the fund profile long-term report. **For money market fund reports** The current yield is an annualized historical yield based on the seven-day period ended on the date noted above and does not represent an actual one-year return. Reports produced using this website are for information purposes only. Canada Life Investment Management Ltd., and their affiliates, representatives, and third party content providers do not warrant the accuracy, completeness, or timeliness of this website or any content, and shall not be responsible for investment decisions, damages, or other losses resulting from the use of this website or its content. The only true report on unit values is the periodic statement prepared and sent by the mutual fund company. Important information about Canada Life Mutual Funds is found in Fund Facts. Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. The indicated rates of return are the historical annual compounded total returns including changes in value and reinvestment of all distributions and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any unit holder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated. Money market fund units are not covered by the Canada Deposit Insurance Corporation or by any other government deposit insurer. There can be no assurance that the fund will be able to maintain its net asset value per unit at a constant amount or that the full amount of your investment in the fund will be returned to you. Past performance of the fund may not be repeated. Canada Life Mutual Funds are managed by Canada Life Investment Management Ltd. offered exclusively through Quadrus Investment Services IPC Investment Corporation and IPC Securities Corporation.
