

Canada Life Risk-Managed Conservative Income Portfolio - N

January 31, 2026

The Fund's primary focus is to provide a moderate level of income with the potential for some capital growth, while seeking to reduce portfolio volatility.

Is this fund right for you?

- A person who is investing for the medium to longer term while seeking the potential for income along with the potential for some growth and is comfortable with low risk.
- Since the fund invests in stocks and bonds its value is affected by changes in interest rates and by stock prices, which can rise and fall in a short period of time.
- You're comfortable with a low level of risk.

Commentary and opinions are provided by Keyridge Asset Management.

This report reflects historical performance without subtracting investment management fees, negotiated advisory and management service fees, and operating expenses, which can vary by policyowner and are paid directly by the policyowner. Actual performance will differ based on actual fees and expenses applicable to each policyowner.

[^]Deferred Sales Charge (DSC) and Low Load Deferred Sales Charge (LSC) purchase options is closed to new investments given regulatory bans put in place for these purchase options that came into effect June 1, 2022.

[†]Soft capped - Contributions are no longer accepted to new investors., [‡]Hard capped - Contributions are no longer accepted.

Distribution of the chart, history standard and short-term reports are not permitted without including the fund profile long-term report. For money market fund reports: The current yield is an annualized historical yield based on the seven-day period ended on the date noted above and does not represent an actual one-year return. Reports produced using this website are for information purposes only. Canada Life Investment Management Ltd., and their affiliates, representatives, and third party content providers do not warrant the accuracy, completeness, or timeliness of this website or any content, and shall not be responsible for investment decisions, damages, or other losses resulting from the use of this website or its content. The only true report on unit values is the periodic statement prepared and sent by the mutual fund company. Important information about Canada Life Mutual Funds is found in Fund Facts. Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. The indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any unitholder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated. Money market fund units are not covered by the Canada Deposit Insurance Corporation or by any other government deposit insurer. There can be no assurances that the fund will be able to maintain its net asset value per unit at a constant amount or that the full amount of your investment in the fund will be returned to you. Past performance of the funds may not be repeated. Canada Life Mutual Funds are managed by Canada Life Investment Management Ltd. The funds are distributed by Quadrus Investment Services Ltd., IPC Investment Corporation, and IPC Securities Corporation, and may also be available through other authorized dealers in Canada.
